Historians Corner

Club Activities since the last Newsletter...

Memorial services for Joe Lloyd were held on August 28th, 2010, at Mt. Pisgah Cemetery above Cripple Creek. Joe and his family have been a multi-generational presence at club activities for a number of years. After the services a pot-luck was held at the home of Shirley Lloyd, where guests were greeted by Joe's tractors parked in a place of honor by the grandchildren. We know he was there with us.

Fall Festival was a real doozie this year. Saturday, Sept. 11th was the day for the tractor pull, with the Good Sam Colorado Campers' Extravaganza at the Chaffee County Fair Grounds providing a nice crowd of spectators and a variety of food vendors.

Saturday evening featured a memorial service for another long-time club member, Oren "OJ" Johnson. The crowd gathered near the club pavilion, a place where OJ's presence has made such a difference through the years. His knowledge, ingenuity, energy and humor will be missed every time we start a new club project.

Sunday morning, we all put on clean jeans and gathered at the pavilion to organize the annual fall tractor ride, but this year we had a very special destination in mind. Led by Craig Weaver and Marissa Hulseley on their respective tractors, we paraded our decorated caravan downtown to the Salida Steam Plant, where Craig and Marissa exchanged wedding vows on the banks of the Arkansas River on a gorgeous Colorado morning. On the return trip, they rode together on Craig's newly-installed double seat. The people of Salida ran out to the street to get into the act as we went by (could have had something to do with all those tin cans trailing behind Craig's tractor.)

Although we had planned an afternoon of wedding-themed tractor games, by the time we got back to the fairgrounds and got our tummies full at the pot-luck dinner, we decided it was a good day to sit around and visit for a while and then load up and go home. (Welcome to married life, guys.)

Florence Pioneer Days was the weekend of September 18th and 19th. We had a good turnout for the parade and the pull, and were pleased to see some engines, tools and gadgets set up for exhibition at Pathfinder Park that weekend as well.

The Stratman family hosted their annual fall pot-luck and bonfire again this year at Steve and Laurie Stratman's in Pueblo on Sept. 25th. Thanks to John Culinaine for the use of his JD80 to power the saw mill. As usual, no one went home hungry. This event is a favorite fall activity for both FRAPA and Flywheelers members.

Sunday, Sept. 26th was the date for Jack Hober and Sharon Gateley to host Oktoberfest at Gator Acres north of Silver Cliff. Another pot-luck assured club members we're in no danger of starving. Jack gave tours and told tales of his collections, and we had a great afternoon.

By special request, the club pulled together a last-minute entry for the Penrose Apple Day parade this year, and by golly we won a 1st place prize. Although we had only a couple of days to get folks to attend, we had nine tractors in the parade on October 2, and the crowd obviously loved us.

On Sunday, October 10th, about eight club members gathered at Twin Lakes to look at a saw mill for possible purchase by the club. It sounds like they had a blast digging through piles of old equipment, and everyone present says the day's highlight was watching Steve Stratman demonstrate the Mineral Water Bath Cabinet that will soon be on display at Gilley's campground at Lake George. Although the mill was not exactly what they were looking for, some of the group bought pieces and parts of it privately and we'll probably see some of it, including a rather unique diesel engine, on exhibit at future club activities. Part of the group headed for Hartsel to view another possibility. Still not what they wanted.....is anyone sure exactly what they want? Or do they just like digging through rusty stuff.

Winter is coming, and another season of club activities is behind us. 2010 will long be remembered as an important milestone for the Arkansas Valley Flywheelers. The excellent slide show at our 25-year celebration reminded all of us that we are family. We are a caring, capable, fun-loving bunch of people with our roots firmly planted in the past and our eyes focused on the future.

We've lost some long-time members this year, and they will be missed. We've also gained some new members who are anxious to help us carry on. And that's what families do. We'll carry on. Look out, world, the Arkansas Valley Flywheelers are headed for another great 25 years. Together.
